## A TYPICAL DAY ON SAFARI...

**05h00** – Early wake up

**05h30** – Meet your ranger and tracker for early morning tea/coffee and light snacks.  
*The best game viewing is generally to be found during the first few hours of the day*

**09h30** – Return from the game drive for breakfast

**11h00** – Optional guided bush walk which allows one the chance to get closer to the smaller creatures and plants as well as larger mammals

**13h00** – Lunch and thereafter time for rest and relaxation

**15h30** – Meet for afternoon tea/coffee and snacks before commencing a late afternoon/early evening game drive

**18h00** – As the sun sets, stop for a sundowner drink. *A great safari tradition!*

**18h30** – As night falls, the tracker uses a powerful spotlight to catch sight of the nocturnal animals

**19h30** – Return to the lodge. The return time is determined by the sightings/activities on the evening drive. On arrival, guests have a chance to freshen up before dinner
